## The BULLETIN

### PAY INCREASES APPROVED

The Faculty and Staff Affairs Committee has adopted a 5% increase in salary for faculty, campus deans and librarians. The Committee, empowered to act for the Board of Trustees, also approved a 4.9% increase for all other State College employees, with the exception of student assistants.

The new salary schedule is retroactive to July 1, 1967. Increases will be reflected in the August 1 paycheck.

At their meeting last week in San Francisco, the Committee also passed a resolution requesting the Legislature to restore 3.5 per cent for faculty pay increases by overriding Governor Reagan's veto of the 1967-68 budget measure. In addition, the Committee requested restoration of a guaranteed 5 per cent raise for the 1968-69 fiscal year, an item also eliminated by the Governor's veto.

### CAMPUS CONSTRUCTION PROGRESSES

Progress on the physical science building is on schedule and the Executive Dean's Office believes that it will be ready for occupancy in September as planned.

---

Meetings are being held daily with representatives of the contractors who are constructing the biological science building to expedite its completion. It is hoped that it will be ready in September, also.

---

A test of equipment in the central heating and air conditioning plant is scheduled for August 1.

---

The present cafeteria building (initial construction) is being re-vamped. Science equipment is being removed from the science rooms for use in the new science buildings and changes are being made to accommodate music and drama as well as additional dining area for the cafeteria.

### COLLEGE GRANT

The Chancellor's Office has notified the College that a grant of \$1,622,426 has been approved by the Department of Health, Education and Welfare. The funds are to be used for the construction of the Library-Classroom Building, which is scheduled for completion in September, 1969.

#### ALLOWABLE VACATION CREDIT

The Chancellor's Office has requested that College employees be cautioned on over-accumulation of vacation time. The maximum allowable accumulation credit is 30 working days for employees with less than 10 years service or 40 working days for employees with more than 10 years service.

Employees are urged to take vacation credit that has been earned, rather than have it accumulate in excess of the authorized amounts or canceled.

In October the Personnel Office will provide all employees with an annual statement of leave credits.

#### IT'S A PLEASURE TO COME TO WORK

The daily walk from the parking lot to the administration offices is made delightful by the lovely flowers and shrubs, lawns and trees along the way. Credit for the colorful flowers and green lawns goes to Woody Wilson and his grounds crew, Chuck Stark, Joe Sartor, John Cervantes and Dan Lopez. They are aided by two student assistants, Carl Hellman and Stan Hodges.

#### CAMPUS ARCHITECTS

The Board of Trustees at its June 21-22 San Diego meeting, adopted a resolution re-appointing Albert C. Martin and Associates as consulting architect for the 1967-68 year.

At the same meeting, the Trustees also re-appointed Eckbo, Dean, Austin and Williams as campus landscape architects for the College for a three-year period.

#### DIRECTORY CHANGES

Frances Rios, Secretary to the College Librarian, is resigning next week. She began working at the College over four years ago and now plans to stay home with her family. (Please make appropriate change in directory)

CHANGE OF POSITION: Lea Prenzlów, Ext. 261, Sec'y to College Librarian,  
Library, L-102.

Lila Fleming, Ext. 221, Senior Clerk, Admissions &
